

Promoting Excellence in Postgraduate Medical Education

Association of National Board Accredited Institutions (ANBAI)

ANBAI is a national body uniting institutions accredited by the National Board of Examinations (NBE). We foster collaboration, promote quality postgraduate medical education (DNB/DrNB), and advocate academic standards across India.

Why Become a Member?

Access to a strong national network of accredited institutions.

Visibility and recognition for institutional commitment to quality education.

Timely updates on accreditation norms, regulations, and best practices.

Opportunities to participate in ANBAI-led programs and leadership roles.

A voice in shaping the future of postgraduate medical education in India.

What We Do ?

- » Facilitate collaboration and sharing of best practices among accredited institutions.
- » Organize national and regional conferences, CMEs, and workshops.
- » Provide academic and accreditation support tools for institutions.
- » Advocate on behalf of member institutions at policy and regulatory levels.
- » Enhance mentoring and academic development for educators and trainees.

Be part of a growing network of excellence in postgraduate medical education.
Apply for membership at <https://anbai.org/membershp-form.php>

Value Add of ANBAI Membership

Platform for contributing towards improving post graduate medical education in the country and liaising with NBEMS in this regard.

Opportunity to interact with NBEMS officials during Annual Conclave and other interactive sessions.

Networking with other NBEMS accredited institutions to gain from their experience, discuss common issues and communicate jointly about these to NBEMS.

Opportunity of recognition for distinguished services of the institution and its individual faculty.

Exploring joint initiatives for various academic resources like books and journals thereby benefitting through a reduction of expenses.

Exploring joint accreditation programs with other institutions in relevant specialities.
